SUPPLEMENT TO  
REPORT NO.

1. By order of the Soviet Command in Hungary, the Hungarian Government has constructed a mine belt near the border along the entire Hungarian-Austrian frontier.
2. Another mine belt is being laid out about five to ten kilometers from the first one. A similar mine belt is under construction along the Hungarian-Yugoslav border. The land mines that are used are of Soviet origin.
3. The minefields have been constructed in order to prevent border crossings from either side and to safeguard the secrecy of Soviet activities in Hungary.
